Dear Supervisors:

**EIGHT-YEAR LEASE AGREEMENT - PUBLIC LIBRARY
25950 THE OLD ROAD, STEVENSON RANCH
APPROVE STEVENSON RANCH LIBRARY PROJECT
AND APPROPRIATION ADJUSTMENT
CAPITAL PROJECT NO. 77602
FIFTH DISTRICT
(4 VOTES)**

SUBJECT

Approval of the recommended actions will allow Public Library to lease available commercial space, implement tenant improvements for the proposed Stevenson Ranch Library Project and related appropriation adjustment.

IT IS RECOMMENDED THAT THE BOARD:

1. Consider and adopt the Negative Declaration together with the fact that no comments were received during the public review process; find that the proposed Stevenson Ranch Library will not have a significant effect on the environment; find that the Negative Declaration reflects the independent judgment of the County of Los Angeles to approve the Negative Declaration; find that the Project will have no adverse effect on wildlife resources; and authorize the Chief Executive Office to complete and file a Certificate of Fee Exemption for the Project.
2. Approve the eight-year lease agreement with Valencia Marketplace II, LLC, rent commencement to be on May 1, 2014 or upon occupancy, whichever occurs earlier, for 12,000 rentable square feet of space at 25950 The Old Road, Stevenson Ranch, for a maximum first year rental amount of \$269,289, which includes: an initial annual base rent of \$180,000, plus first year payment of operating expense rent estimated to be \$89,289 for the Stevenson Ranch Library. The rental cost is

entirely funded by Fifth District net County cost.

3. Authorize and instruct the Chief Executive officer, or his designee, to execute the lease agreement upon recordation of the Amendment to the Declaration of Restrictions and Grant of Easements for the shopping center, or Board approval, the latter of the two.
4. Approve the Stevenson Ranch Public Library Project, with a total Project budget of \$4,500,000 funded by net County cost.
5. Approve the appropriation adjustment transferring \$10,597,000 from Library's Stevenson Ranch's Developer Fee Budget (BM1) into Library's Operating Budget (Services and Supplies) to fund operational expenses of the proposed Stevenson Ranch Library.
6. Authorize Internal Services Department to deliver the tenant improvements using a combination of in-house and Board-approved Job Order Contract program.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

Approval of the recommended actions will allow Public Library to lease available commercial space and implement tenant improvements for the proposed Stevenson Ranch Library (Project).

The current population and future growth projections of the County's unincorporated area of Stevenson Ranch, and surrounding communities, indicate a need to provide library services to local residents outside the City of Santa Clarita limits. Currently, local residents must rely on bookmobile service or use libraries owned by the City of Santa Clarita, the nearest full-service library in the area.

A real estate investigation resulted in available leased facilities, no unavailable land or available buildings to purchase, and no suitable County owned facilities. Public Library recently completed a library needs assessment survey in unincorporated Stevenson Ranch that clearly shows a desperate need for library service in these communities. Based on the needs assessment, Public Library is recommending entering into the proposed lease agreement (Attachment A).

The proposed 12,000 square-foot library will include a large reading area for adults; teen center for middle and high school students; a children's area with Family Place; an 80-seat community meeting room; group study rooms; express checkout service machines; public access computers; public access WiFi; public restrooms; and an opening day collection of approximately 60,000 books, and other library materials. These interior improvements will be implemented as part of the tenant improvements scope of work.

The establishment of a library in Stevenson Ranch is consistent with the Public Library's long-range facility planning and will meet the service needs of the local population.

The design services will be completed through Internal Services Department's (ISD) as-needed architectural-engineering consultant, and the improvements will be implemented through a combination of ISD in-house crafts staff and Job Order Contract (JOC) program. It is anticipated that the library services will be available beginning the first quarter of 2015.

Implementation of Strategic Plan Goals

The estimated proposed Project cost totals \$19,500,000: \$4,500,000 for tenant improvements, including telephone and data low voltage systems; \$1,000,000 for books and library materials;

\$1,000,000 for furniture, fixtures, and equipment; \$3,000,000 for eight-year rent expense and contingency; and \$10,000,000 for eight-year operating costs.

FISCAL IMPACT/FINANCING

The estimated proposed Project cost is \$4,500,000 and is fully funded by net County cost. Sufficient appropriation is available in the Fiscal Year 2013-14 Capital Project/Refurbishment Budget for Stevenson Ranch Public Library Project (Capital Project No. 77602) to fully fund the tenant improvements. The proposed Project Schedule and Budget Summary are detailed in Attachment C.

Operating Budget Impact

The eight-year rent expense, contingency, and operating costs are estimated \$13,000,000; the one-time cost for books and library materials, furniture, fixtures, and equipment are estimated \$2,000,000 funded by \$10,597,000 with Public Library Developer Fees, and \$4,403,000 with Library Operating Budget.

Approval of the attached appropriation adjustment (Attachment B) will transfer \$10,597,000 from Public Library's Developer Fee Budget (BM1) into Public Library's Operating Budget (Services and Supplies) to fund operational expenses of the Public Library. The three 5-year optional lease extensions and associated operating costs will be funded by property taxes that have been collected in the Fifth District unincorporated areas for County Public Library.

The annual base lease cost for the proposed Project will initially be \$269,289, which includes \$180,000 in base rent and \$24,480 in Additional Rent, which consists of Common Area Expenses passed through based on the County's occupancy of 1.6 percent of the entire center. Additionally, the Additional Rent provision of the lease requires the County to reimburse the Landlord in a lump sum for its share of property taxes and insurance annually and certain center maintenance costs, i.e. parking lot slurry sealing/stripping of the lot approximately every three years and as-needed roof replacement, which expenses are estimated to be \$64,809 annually.

The annual rent under the lease will be a \$17.04 per square-foot Triple Net lease comprised of an annual Base Rent of \$15 per square-foot, which will be adjusted annually at a rate of 2 percent, and Additional Rent for common area expenses at a rate of \$0.17 per square-foot, which is adjusted annually at a rate not to exceed 5 percent based on actual costs, plus lump sum reimbursement of property taxes and insurance and certain maintenance costs estimated to be \$64,809 annually.

It is anticipated that the new library will begin operation in the first quarter of 2015 and the funding for the annual operating costs will be required at that time. The annual operating budget for the Stevenson Ranch Public Library is estimated \$1,250,000 based on the current staffing, support, facility maintenance, and other operating costs that will be required.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

The proposed lease agreement provides 12,000 rentable square feet of library space and adequate off-street parking spaces. The lease contains the following provisions:

- a. The eight-year term of the lease beginning upon payment of rent, May 1, 2014.
- b. A monthly base rent of \$15,000 or \$180,000 annually, and monthly Common Area Expense of

\$2,040 or \$24,480 annually, plus annual lump sum reimbursement of property taxes and insurance and certain maintenance costs estimated to be \$64,800 annually.

c. The Landlord will provide parking which is sufficient to meet the parking needs of the department and patrons.

d. The lease is on a Triple Net lease whereby the Landlord will be responsible for all Common Area maintenance, but the County and other tenants reimburse the Landlord for such costs based on their proportionate share of occupancy of the shopping center. The County must pay for its metered electricity consumption, janitorial and building maintenance costs.

e. The County has three 5-year options to renew the lease under the same terms, conditions and rental rate.

CEO Real Estate staff surveyed Stevenson Ranch, and the surrounding area to determine the market rate of comparable sites. The base rental range, including parking for similar property in the area is between \$26.00 and \$35.00 per square-foot per year modified full-service. Thus, the base annual rent of \$15 per square-foot for the base lease cost is at the lower end of the market rate for this area. Attachment E shows County-owned and leased facilities within the search area for these programs and none are available to house these programs.

The Department of Public Works was not required to inspect this facility as it was built in 2003 and meets current standards for the County's occupancy.

Prior to the execution of this lease, it is necessary for an Amendment to the Declaration of Restrictions and Grant of Easements for the shopping center to be recorded that allows a public library use within the shopping center.

ENVIRONMENTAL DOCUMENTATION

The Chief Executive Office has made an initial study of environmental factors and has concluded that the proposed Project will have no significant impact on the environment and no adverse effect on the wildlife resources. A Negative Declaration (Attachment F) has been prepared and a notice posted at the site as required by the California Environmental Quality Act (CEQA) and the California Administrative Code, Section 15072. Copies of the completed Study, the resulting Negative Declaration, and the Notice of Preparation of Negative Declaration as posted are attached. No comments to the Negative Declaration were received.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

The proposed lease will provide the necessary space to establish a library to serve the unincorporated Stevenson Ranch area of Los Angeles County.

CONCLUSION

It is requested that the Executive Officer, Board of Supervisors return four originals of the executed lease, two certified copies of the Minute Order and the adopted, stamped Board letter to the CEO, Real Estate Division for further processing; one adopted copy of the Board letter to CEO Facilities and Asset Management Division; CEO Real Estate Division; Public Library; and ISD.

Respectfully submitted,

(a) **Use of Common Areas.** Tenant and its employees and invitees shall have the non-exclusive license to use the Common Areas during the Lease Term, for parking and for pedestrian and vehicular access in and to the Shopping Center in common with Landlord and with other persons authorized by Landlord from time to time to use such areas, subject to such reasonable rules and regulations relating to such use as Landlord may from time to time establish.

(b) Landlord will at all times during the term of this Lease have the sole and exclusive control of Common Areas, and from time to time during the term hereof restrain any use or occupancy thereof except as authorized by the rules and regulations for the use of such areas established by Landlord from time to time, so long as such restraints are reasonably necessary. Nothing herein will affect the right of Landlord at any time to remove any unauthorized persons from the Common Areas or to prohibit the use of any said areas by unauthorized persons.

(c) Landlord may (i) make changes at any time from time to time in the size, shape, location, number and extent of the Common Areas of any of them, and/or (ii) designate new building areas or change the size, location or configuration of any existing building area without Tenant's approval or consent, except that Landlord shall not change the Tenant's Premises, and no such change shall entitle Tenant to any abatement of rent. 4. COMMENCEMENT AND EXPIRATION DATES

(a) Term. The initial term shall be from the Rent Commencement Date to the Termination Date, as those terms are defined in section 1.1. Within 30 days of determining the Rent Commencement Date, Landlord and Tenant shall acknowledge in writing the Commencement Date by executing the Rent Commencement Date Memorandum and Confirmation of Lease Terms attached as Exhibit D. Tenant will be entitled to possession of the Premises upon mutual execution of the Lease and approval of the Lease by the County's Board of Supervisors, for the purpose of installing Tenant Improvements, Tenant's furniture, fixtures and equipment in the Premises. Such early occupancy shall be subject to all provisions herein but will not advance the Rent Commencement or Termination Date. Tenant will not pay Rent for such early occupancy period. Landlord and Tenant agree that the shell and core of the Premises are complete and in compliance with all applicable laws and codes in effect as of the date of construction, and that all of the Premises systems are operational to the extent necessary to service the Premises.

(b) Options to Extend.

Terms of Options. Provided that no Landlord Default (as defined herein) or other material Default has occurred and continuing under the Lease at the time an option is exercised, Tenant will have three (3) options to renew this Lease for an additional period of sixty (60) months each (respectively, the "First Extension Term," the "Second Extension Term," and "Third Extension Term", and collectively, the "Extension Term(s)").

Exercise of Option. Tenant shall exercise any option to extend this Lease by giving Landlord written notice no later than six (6) months prior to the end of the initial Term, or the First Extension Term or Second Extension Term, as applicable.

Terms and Conditions of Extension Terms. The Extension Terms shall be on all the terms and conditions of this Lease, including the increases in Rent as provided in Section 5, below.

5. RENT.

The first full calendar month's Rent shall be due and payable on the Rent Commencement Date in the total amount shown in Section 1.1(j) hereof. A monthly installment in the same amount, subject to the adjustments described herein below, shall be due and payable without demand on or before the first day of each calendar month succeeding the Rent Commencement Date during the Term, except that Rent for any fractional calendar month at the commencement or end of the Term shall be prorated on a daily basis, provided that Landlord shall file a payment voucher, attached hereto as Exhibit L, with the Library of the County of Los Angeles (the "County") for the monthly Rent prior to

the Rent Commencement Date for the initial month(s) of the Term up to and including April, and annually thereafter in April for the ensuing 12 months.

(a) On each anniversary of the Rent Commencement Date (an "Adjustment Date"), the monthly Base Rent for the Premises will increase by an amount equal to two percent (2%) of the Base Rent then in effect. For example, on the first Adjustment Date, the Base Rent will increase by \$300.00 ($2\% \times \$15,000.00$). Accordingly, the new Base Rent will then be equal to \$15,300.00 ($\$15,000.00 + \300.00). On the second Adjustment Date, the Base Rent will increase by \$306.00 ($2\% \times \$15,300.00$). Accordingly, the new Base Rent will then be equal to \$15,606.00 ($\$15,300.00 + \306.00).

(b) On each Adjustment Date, Tenant's percentage share of the Common Area Expenses (determined on an aggregate basis as opposed to a line item basis), excluding those Common Area Expenses it pays as Lump Sum as defined in Section 1.1(j), shall not increase by more than 5% cumulatively per annum over the amount charged in the first full Lease. The Lump Sum expenses will be the Tenant's proportionate share of actual expenses and not subject to the five percent (5%) limitation. Tenant's proportionate share shall be the amount which is a fraction (or expressed as a percentage), the numerator of which is the Rentable Square Footage of the Premises and the denominator of which is the total Rentable Square Footage of all of the buildings in the Shopping Center. Notwithstanding the foregoing, in the event any tenant in the Shopping Center pays real estate taxes directly, maintains its own building insurance, or pays other expenses directly, or in the event any particular expense should be attributed to fewer than all tenants of the Shopping Center, then the Landlord may exclude the square footage of such tenant from the total rentable Square footage of the Shopping Center for the purposes of calculating Tenant's proportionate share of such expenses.

(c) Common Area Expenses. Tenant shall pay to Landlord, as Additional Rent, in the manner and at the time set forth in this section, Tenant's pro rata share, as defined above, of all operating costs and expenses incurred by Landlord in the operation, management, equipment, maintenance, repair, and replacement of the buildings, improvements, and Common Areas within the Shopping Center during the Term of this Lease. Such costs and expenses shall include, without limiting the generality of the foregoing, management; all replacements, repairs, and painting; all foundation, subflooring, exterior and bearing wall repairs and replacements; building repair and painting; utility and utility line repair and replacement; pest control; maintenance and replacement of landscaping and irrigation; repairing, resurfacing, and repaving of parking areas; bumpers, monument, and directional signs and other markers; cleaning, sweeping, steam cleaning, tenant and Common Area trash removal; security services; lighting, including exterior building lighting, canopy lighting or architectural feature lighting; fixture repair and replacement; fire protection; cost of public liability, property damage, fire and extended coverage, earthquake, terrorism, vandalism, rental loss, and any other insurance maintained by Landlord for the benefit of the Shopping Center; all real estate taxes on the Shopping Center and personal property taxes; all utility costs, Tenant's prorata share of any individual services or utilities which are jointly metered with any other tenants, materials, supplies, equipment and tools, depreciation of equipment, machinery and tools;

costs associated with governmental requirements including permits, licenses, certifications and inspections, holiday decorations, costs of maintenance and repair of public art located in the Common Area; Shopping Center promotional costs, and similar services (provided nothing herein contained shall be deemed a representation or requirement that any such services shall be maintained); environmental protection expense; and an Administrative Fee equal to fifteen percent (15%) of all of the foregoing costs and expenses to cover Landlord's administrative and overhead expenses. Landlord may cause any or all of said services to be provided by an independent contractor or contractors. If any costs or expenses which Tenant would otherwise be required to pay under this Lease as Common Area Expenses, real estate taxes, or insurance are payable as assessments under the CC&R's, then Tenant shall pay its pro rata share of such assessments as Common Area Expenses. (All of the above operating costs, expenses and Landlord's administrative and overhead expense are herein called "Common Area Expenses").

(d) Payment of Additional Rent. By April 1 of the commencement of each calendar year of this Lease, Landlord may give Tenant an estimate of Tenant's pro rata share of all of the items of Additional Rent (including Common Area Expenses) for the ensuing year. Tenant shall pay such estimated amount to Landlord in equal monthly installments, in advance, on the first day of each calendar month, without prior notice, demand, offset or deduction, as part of the same check with which Tenant pays the Monthly Rent. If Landlord so estimates, Landlord shall furnish to Tenant a statement showing the actual costs incurred by Landlord for the previous calendar year for the operation and maintenance of the Shopping Center during such year indicating any additional amounts due from Tenant or credit due from Landlord. Tenant shall, within thirty (30) days of receipt of such statement, make any payment necessary. If Landlord elects not to so estimate, Tenant shall pay its share of such Additional Rent at such intervals as Landlord may elect to bill Tenant. Landlord's failure to submit statements as called for herein shall not be deemed to be a waiver of Tenant's requirement to pay sums as herein provided.

6. USES.

The Premises are to be used only for the uses set forth in Section 1 and for no other business or purpose. Tenant agrees to comply with all terms and provisions of the Declaration of Covenants, Conditions and Restrictions and amendments thereto recorded with respect to the Shopping Center and the Rules and Regulations set forth in Exhibit H attached hereto and incorporated herein by this reference.

7. HOLDOVER.

If Tenant holds the Premises after the expiration of the Term hereof, such holding over shall, in the absence of a written agreement on the subject, be deemed to have created a tenancy from month to month, terminable on thirty (30) days' written notice by either party to the other, at a Rent rate equal to 125% of the Base Rent paid by Tenant to Landlord during the full month preceding the expiration of the Lease, and otherwise subject to all terms of this Lease, including the payment of additional Rent, and all other charges payable by Tenant hereunder. Neither acceptance of Rent nor of anything contained in

this subparagraph shall be construed as an express or implied consent to such holding over, nor affect Landlord's right to recovery of possession as a consequence of holding over. If Tenant fails to surrender the Premises upon the termination of this Lease, Tenant shall indemnify and hold harmless Landlord from loss or liability resulting from such failure, including, without limiting the generality of the foregoing, any claims made by any succeeding tenant arising out of such failure.

8. COMPLIANCE WITH LAW.

Tenant shall, at Tenant's expense, comply promptly with all applicable statutes, ordinances, rules, regulations, orders and requirements in effect during the Term hereof, regulating the use, occupancy or improvement of the Premises by Tenant. Landlord, shall, at its sole cost, at all times cause the Common Area to comply with all applicable statutes, ordinances, rules, regulations, orders and requirements in effect and binding upon the Common Area during the Term hereof, including without limitation, the Americans with Disabilities Act, except to the extent such compliance is made necessary as a result of Tenant's particular use of or alterations or improvements to the Premises. The costs and expenses incurred by Landlord in performance of these obligations shall constitute "Common Area Expenses," as defined in Section 5.

9. DAMAGE OR DESTRUCTION.

(a) Damage. In the event any portion of the Building is damaged by fire or any other cause rendering the Building either totally, or a material portion thereof, inaccessible or unusable and the Building may be restored to a complete architectural unit of the same value, condition and character that existed immediately prior to such casualty in less than 180 days, then Landlord shall promptly, at Landlord's expense, so long as Landlord has received sufficient insurance proceeds, repair such damage to the Building, except for the improvements required to be made by Tenant pursuant to the Work Letter, and this Lease shall continue in full force and effect. If all or any portion of the Building shall be made untenable by fire or other casualty, Landlord shall immediately secure the area to prevent injury to persons and/or vandalism to the improvements. The failure to repair as required hereunder shall be a Material Default hereunder. Rent shall abate to the extent that the Building are unusable by Tenant. Tenant waives the provisions of California Civil Code Sections 1932(2) and 1933(4) with respect to any partial or total destruction of the Building.

(b) Tenant Termination Right. In the event any portion of the Building is damaged by fire or any other cause rendering the Building either totally, or a material portion thereof, inaccessible or unusable and the Building can not be restored to a complete architectural unit of the same value, condition and character that existed immediately prior to such casualty in less than 180 days for any reason, then Tenant may terminate this Lease by giving written notice within ten days after notice from Landlord specifying such time period of repair; and this Lease shall terminate and the Rent shall be abated from the date the Building became untenable.

(c) Damage In Last Year. Notwithstanding the foregoing provisions, if any material destruction to the Premises occurs during the last year of the Term, either Landlord or Tenant may terminate this Lease by giving notice to the other not more than 30 days after such destruction, in which case (a) Landlord shall have no obligation to restore the Premises, (b) Landlord may retain all insurance proceeds relating to such destruction, and (c) this Lease shall terminate as of the date which is 30 days after such written notice of termination.

(d) Default By Landlord. If Landlord is required to repair and restore the Building as provided for in this Section and Landlord should fail to thereafter pursue said repair and restoration work with reasonable diligence to completion, Tenant may, subject to the notice and cure provisions set forth in Section 14, (a) declare a default hereunder, or (b) perform or cause to be performed the restoration work and deduct the cost thereof, from the Base Rent next due as a charge against the Landlord.

10. REPAIRS AND MAINTENANCE.

(a) Landlord Obligations. Landlord shall keep and maintain in good repair and working order and promptly make repairs to and perform maintenance upon and replace as needed the structural elements of the Building, exterior walls of the Building (excluding windows and doors)..

(b) Tenant Obligations. Without limiting Landlord's Obligations as stated above at subsection (a), Tenant shall, at Tenant's sole expense, be responsible for the cost of repairing any area damaged by Tenant or Tenant's agents, employees, invitees and visitors and the repair of low voltage electronic, phone and data cabling and related equipment that is installed by or for the exclusive benefit of Tenant. Tenant, at its sole cost and expense, shall also perform all maintenance and repairs to the Building, and shall keep the Premises in good condition and repair, reasonable wear and tear excepted. Tenant's repair obligations include, without limitation, repairs to the following of the Building: (1) the floor covering; (2) interior partitions; (3) doors; (4) all non-structural walls; (5) electrical including electrical panel to wall outlets and lights, (6) HVAC, (7) any plumbing; (8) fire/life safety systems; (9) signage; and (10) roof. All repairs and replacements shall: (a) be made and performed by contractors or mechanics approved by Landlord, which consent shall not be unreasonably withheld or delayed; (b) be at least equal in quality, value and utility to the original work or installation; and (c) be in accordance with all laws. The Landlord grants the Tenant the right to use County resources including Public Library and Internal Services Department (ISD) staff to complete any required maintenance or repairs.

(c) Tenant's Right to Repair. If Tenant provides written notice (or oral notice in the event of an emergency such as damage or destruction to or of any portion of the Premises structure and/or the Premises systems and/or anything that could cause material disruption to Tenant's business) to Landlord of an event or circumstance which requires the action of Landlord with respect to repair and/or maintenance, and Landlord fails to provide such action within a reasonable period of time, given the circumstances, after the giving of such notice, then, if such failure continues after Tenant has given

Landlord five (5) days' notice of Tenant's intent to proceed to take the required action if Landlord does not commence the repair or maintenance within such time, Tenant may proceed to take the required action (provided, however, that no such notice shall be required in the event of an emergency which threatens life or where there is imminent danger to property or a possibility that a failure to take immediate action could cause a material disruption in Tenant's normal and customary business activities). Tenant shall have access to the Premises to the extent necessary to perform the work contemplated by this provision. If such action was required under the terms of this Lease to have been taken by Landlord and was not taken by Landlord within such period (unless such notice was not required as provided above), and Tenant took such required action, then Tenant shall be entitled to prompt reimbursement by Landlord of Tenant's reasonable costs and expenses in having taken such action. If not reimbursed by Landlord within ten days, Tenant shall be entitled to deduct from Base Rent payable by Tenant under this Lease the amount set forth in its invoice for such work. The remedies provided in this Section are in addition to the remedies provided in Section 14.

11. SERVICES AND UTILITIES.

Tenant agrees to pay when due all charges for Tenant's consumption of electricity, gas, and water on the Premises. The costs and expenses incurred by Landlord for these utility services for the Common Area shall constitute "Common Area Expenses," as defined in Section 5.c., above.

12. LANDLORD ACCESS.

Tenant shall permit Landlord and its agents to enter the Premises upon prior written notice for the purpose of inspecting the Premises for any reasonable purpose. If Landlord temporarily closes any portion of the Premises, Rent shall be prorated based upon the percentage of the Premises rendered untenable and not used by Tenant. Landlord shall have the right at any and all times to enter the Premises in the event of an emergency.

13. TENANT DEFAULT.

(a) Default. The occurrence of any one or more of the following events (a "Tenant Default") shall constitute a Material Default and breach of this Lease by Tenant:

(i) The failure by Tenant to make any payment of Rent or any other payment required to be made by Tenant hereunder (except to the extent an offset is expressly permitted hereunder), as and when due and if the failure continues for a period of ten days after written notice to Tenant;

(ii) The failure by Tenant to observe or perform any of the other covenants, conditions or provisions of this Lease, where such failure shall continue for a period of five (5) days after written notice from Landlord specifying in detail the nature of the Tenant Default; provided, however, if more than fifteen (15) days are reasonably required for its cure then Tenant shall not be deemed to be in default if Tenant commences

such cure within said fifteen (15) day period and thereafter diligently prosecutes such cure to completion.

(b) No Effect on Indemnity. Nothing in this Article 13 or Article 14 shall be deemed to affect either Landlord or Tenant's right to indemnification under any indemnification clause or clauses set forth in this Lease.

14. LANDLORD REMEDIES.

In the event of any Tenant Default, Landlord may exercise one or more of the following remedies:

(a) Landlord shall have the remedy provided in Civil Code Section 1951.4. Landlord may continue this Lease in effect after Tenant's breach and abandonment and recover from Tenant the rent as it becomes due and any other amounts necessary to compensate Landlord for all detriment proximately caused by Tenant's failure to perform its obligations under this Lease or which in the ordinary course of things would be likely to result therefrom. Landlord may sue monthly, annually or after such equal or unequal periods as Landlord desires for amounts due under this subparagraph (a). Tenant acknowledges that its right to assign or sublease is subject only to reasonable conditions. The right to collect rent as it becomes due shall terminate upon the termination by Landlord of Tenant's right to possession of the Premises. Tenant's right to possession shall not be terminated unless and until Landlord delivers to Tenant written notice thereof.

(b) Landlord, either as an alternative or subsequent to exercising the remedies set forth in paragraph 14(a), above, may terminate Tenant's right to possession of the Premises by and upon delivery to Tenant of written notice of termination. Landlord may then immediately reenter the Premises and take possession thereof pursuant to legal proceedings and remove all persons and property from the Premises. Such property may be removed and stored in a public warehouse or elsewhere at the cost of and for the account of Tenant. No notice of termination shall be necessary in the event that Tenant has abandoned the Premises. In the event that Landlord elects to terminate Tenant's right of possession, Landlord may recover all of the following:

(i) The worth at the time of the award of any obligation which has accrued prior to the date of termination; and

(ii) The worth at the time of the award of the amount by which the unpaid rent and additional charges which would have been earned after termination until the time of award exceeds the amount of such rental loss that the Tenant proves could have been reasonably avoided; and

(iii) The worth at the time of the award of the amount by which the unpaid rent and additional charges for the balance of the term after the time of award exceeds the amount of such rental loss that Tenant proves could be reasonably avoided.

(c) As used in Subsections (b) (i) and (b) (ii) above, the "worth at the time of award" is computed by allowing interest at the rate of ten percent (10%) per annum. As used in Subsection (b) (iii) above, the "worth at the time of award" is computed by discounting such amount at the discount rate of the Federal Reserve Bank of San Francisco at the time of award plus one percent (1%).

(d) Landlord may recover from Tenant, and Tenant shall pay to Landlord upon demand, such expenses as Landlord may incur in recovering possession of the Premises, placing the same in good order and condition and altering or repairing the same for reletting, all other expenses including attorney's fees and commissions and charges incurred by Landlord in reletting same or exercising any remedy provided herein or as a result of any default by Tenant hereunder, and any other amount necessary to compensate Landlord for all the detriment proximately caused by the Tenant's failure to perform Tenant obligations under this Lease or which in the ordinary course of things would be likely to result therefrom.

(e) Landlord may exercise any other remedy or right now or hereafter available to Landlord against a defaulting Tenant under the laws of the governing jurisdiction and not otherwise specifically reserved herein.

(f) The acceptance by Landlord of any partial payment of Rent or other amounts due hereunder after breach by Tenant will not constitute a waiver of such breach, unless a written statement to that effect signed by Landlord has been delivered to Tenant.

15. LANDLORD DEFAULT.

(a) Remedies. In addition to the provisions for Landlord's default provided by Sections 9, 10, 20, and 21(b), Landlord shall be in default ("Landlord Default") in the performance of any obligation required to be performed by Landlord under this Lease if Landlord has failed to perform such obligation within five (5) days after the giving of written notice with respect thereto by Tenant; provided, however, that if the nature of the Landlord Default is such that the same cannot reasonably be cured within such fifteen (15) day period, Landlord shall not be deemed to be in Landlord Default if Landlord shall within such period commence such cure and thereafter diligently prosecute the same to completion. If the Landlord Default is of such a nature that it materially and substantially interferes with Tenant's occupancy and use of the Premises and if such Landlord Default is not cured within fifteen (15) days of a notice from Tenant to Landlord of Tenant's intent to exercise its remedies hereunder, then Tenant shall have the right, at its option, to any one or more of the following described remedies in addition to all other rights and remedies provided at law or in equity or elsewhere herein: (i) to remedy such default or breach and deduct the costs thereof (including but not limited to attorneys' fees) plus interest at the rate of ten (10%) per annum from the installments of Rent next falling due; (ii) to pursue the remedy of specific performance; (iii) to seek money damages for loss arising from Landlord's failure to discharge its obligations under this Lease or offset such damages against Rent next coming due; and/or (iv) to terminate this Lease.

(b) Waiver. Nothing herein contained shall relieve Landlord from its duty to effect the repair, replacement, correction or maintenance required to restore any affected services, or to perform any other obligations to the standard prescribed in this Lease, nor shall this Section be construed to obligate Tenant to undertake any such work.

(c) Emergency. Notwithstanding the foregoing cure period, Tenant may cure any default without notice where the failure promptly to cure such default would, in the reasonable opinion of Tenant, create or allow to persist an emergency condition or materially and adversely affect the operation of Tenant's business in the Premises.

16. ASSIGNMENT AND SUBLETTING.

There is no right to assign or sublease this Lease. However, in the event that this area is annexed by the City of Santa Clarita, Tenant would have the right (subject to Landlord's approval) to sublease the space to the City of Santa Clarita so long as the use remains a public library. In the event of annexation, the County shall also have the right to continue the Lease so long as the use remains a public library.

17. ALTERATIONS AND ADDITIONS.

(a) Landlord Consent. Tenant shall not make any structural alterations, improvements, additions, or utility installations in or about the Premises (collectively, "Alterations") without first obtaining the written consent of Landlord, which consent shall not be unreasonably withheld, conditioned or delayed. However, Landlord's consent shall not be required for any Alteration that satisfies all of the following criteria: (1) complies with all Laws; (2) is not visible from the exterior of the Premises; (3) will not materially affect the systems or structure of the Premises; and (4) does not unreasonably interfere with the normal and customary business office operations of other tenants in the Shopping Center. If Landlord fails to respond in writing within 30 days of such request, Landlord shall be deemed to approve the Alterations.

(b) End of Term. Any Alterations not removed by Tenant, at Landlord's option, shall become the property of Landlord and remain upon and be surrendered with the Premises at the expiration of the Term.

18. CONDEMNATION.

(a) Controlling Terms. If during the Term, or during the period of time between the execution of this Lease and the Commencement Date, there is any taking of all or any part of the Premises or any interest in this Lease by Condemnation (as defined below), this Section shall determine the rights and obligations of Tenant and Landlord. "Condemnation" shall mean the exercise of any governmental power to take title to any portion of the Premises, whether by legal proceedings or otherwise, by a Condemnor (as defined below) or a voluntary sale or transfer by Landlord to any Condemnor, either under threat of a Condemnor's exercise of such power or while legal proceedings are pending for the exercise of such power. "Condemnor" shall mean any public or quasi-public authority, or private corporation or individual, having the power of Condemnation.

(b) Total Taking. If the Premises are totally taken by Condemnation, this Lease shall terminate on the date the Condemnor has a right to possession of the Premises (the "Date of Taking").

(c) Partial Taking. If any portion, but not all, of the Premises is taken by Condemnation, this Lease shall remain in effect, except that Tenant may elect to terminate this Lease if, in Tenant's reasonable judgment, the remaining portion of the Premises (including the space available for parking) is rendered unsuitable for Tenant's continued use of the Premises. If Tenant elects to so terminate this Lease, Tenant must exercise its right to terminate by giving notice to Landlord within 30 days after the date that the nature and the extent of the Condemnation have been determined (the "Determination Date"), which notice shall set forth the date of termination. Such termination date shall not be earlier than 30 days nor later than 90 days after Tenant has notified Landlord of its election to terminate; except that this Lease shall terminate on the Date of Taking if the Date of Taking falls on a date before the date of termination as designated by Tenant. If Tenant does not so notify Landlord within 30 days after the Determination Date, all obligations of Tenant under this Lease shall remain in effect, except that Rent shall be equitably abated.

(d) Restoration. Notwithstanding the preceding paragraph, if, within 30 days after the Determination Date, Landlord notifies Tenant that Landlord at its cost will add to the remaining Premises so that the area of the Premises and the space available for parking, will be substantially the same after the Date of Taking as they were before the Date of Taking, and Landlord commences the restoration promptly and, subject to reasonable allowance for delays that are not caused by Landlord, completes it within 90 days after Landlord so notifies Tenant, this Lease shall continue in effect. All obligations of Tenant under this Lease shall remain in effect, except that Rent shall be equitably abated or reduced during the period from the Date of Taking until the completion of such restoration.

(e) Award. The Award (as defined below) shall be divided between Landlord and Tenant as their respective interests may appear. "Award" shall mean all compensation, sums or anything of value awarded, paid or received on a total or partial Condemnation of the Premises.

(f) Waiver of Statute. Landlord and Tenant hereby waive the provision of California Code of Civil Procedure Section 1265.130 allowing Landlord or Tenant to petition the superior court to terminate this Lease in the event of a partial taking of the Premises.

19. INDEMNIFICATION

(a) Tenant's Indemnity. Tenant shall indemnify, defend and hold Landlord harmless from and against all loss, cost and expense, including attorneys' fees, arising from any injury or damage to any person or property, occurring in or about the Shopping Center or Premises as a result of any negligent act, omission or willful misconduct of Tenant or its employees, or arising from any breach or default under this Lease by Tenant. The foregoing provisions shall not be construed to make Tenant

responsible for loss, damage, liability or expense resulting from injuries to third parties caused by the negligence or willful misconduct of Landlord, or its officers, contractors, licensees, agents, employees or invitees. Nothing in this Lease shall be construed to waive, limit, or supersede any of the Tenant's rights or immunities under the California Labor Code, including but not limited to a waiver pursuant to section 3864 of the Labor Code.

(b) Landlord's Indemnity. Landlord shall indemnify, defend and hold Tenant harmless from and against all loss, cost and expense, including attorneys' fees, arising from any injury or damage to any person or property, occurring in or about the Shopping Center or Premises as a result of any negligent act, omission or willful misconduct of Landlord, or its officers, contractors, licensees, agents, employees, guests, or visitors, or arising from any breach or default under this Lease by Landlord. The foregoing provisions shall not be construed to make Landlord responsible for loss, damage, liability or expense resulting from injuries to third parties caused by the negligence or willful misconduct of Tenant, or its officers, contractors, licensees, agents, employees or invitees.

20. INSURANCE.

(a) Landlord's Insurance. During the term of this Lease, Landlord shall maintain the following insurance:

(i) Commercial property insurance which shall (1) cover damage to Landlord's property, including improvements and betterments, from perils covered by the causes-of-loss special form (ISO form CP 10 30), and include ordinance or law coverage (and coverage against acts of terrorism to the extent such coverage is reasonably available and priced at commercially reasonable rates); and (2) be written for full replacement cost of the property, with a deductible of no greater than 5% of the property value. Insurance proceeds shall be payable to Landlord and Tenant as their interests may appear and be utilized for repair and restoration of the Premises.

(ii) General liability insurance (written on ISO policy form CG 00 01 or its equivalent) with limits of not less than the following: (1) per occurrence and general aggregate amount of \$5,000,000; (2) products/completed operations aggregate of \$2,000,000; and (3) personal and advertising injury of \$1,000,000.

(iii) Failure by Landlord to maintain the insurance required by this Section and deliver evidence thereof as required by this Lease or to use any insurance proceeds to timely repair and restore the Premises shall constitute a material breach of this Lease.

(b) Tenant's Insurance. During the term of this Lease, Tenant shall maintain the following insurance:

(i) Commercial property insurance which shall (1) cover damage to Tenant's property, including improvements and betterments, from perils covered by the causes-of-loss special form (ISO form CP 10 30), and include ordinance or law coverage

(and coverage against acts of terrorism to the extent such coverage is reasonably available and priced at commercially reasonable rates); and (2) be written for full replacement cost of the property, with a deductible of no greater than 5% of the property value. Insurance proceeds shall be payable to Landlord and Tenant as their interests may appear and be utilized for repair and restoration such Property.

(ii) General liability insurance (written on ISO policy form CG 00 01 or its equivalent) with limits of not less than the following: (1) per occurrence and general aggregate amount of \$5,000,000; (2) products/completed operations aggregate of \$2,000,000; and (3) personal and advertising injury of \$1,000,000.

(iii) Failure by Tenant to maintain the insurance required by this Section and deliver evidence thereof as required by this Lease or to use any insurance proceeds to timely repair and restore the Premises shall constitute a material breach of this Lease.

(iv) Notwithstanding the provisions of this Section 20(b), Tenant's obligations to maintain insurance may be satisfied by self-insurance provided Tenant delivers to Landlord in advance a letter of undertaking or reasonable evidence of such self-insurance. Tenant may elect to self-insure against any or all of the risks, or any portion thereof, against which Tenant is required to insure pursuant to this Lease provided Tenant is then occupying the Premises.

(c) Insurance Requirements. All insurance policies required to be maintained by Landlord under this Lease shall be issued by insurance companies which have a Best's Rating of "AVII" or better and which are qualified to do business in the State of California. All liability and property damage and other casualty policies of Landlord shall be written as primary policies, not contributing with, and not in excess of coverage which Tenant may carry.

(d) Certificates. Landlord shall deliver to Tenant on the Commencement Date of this Lease and thereafter at least 15 days prior to expiration of any insurance required to be carried hereunder, certificates of insurance evidencing this coverage with limits not less than those specified above. Certificates shall include the address of the leased premises and must document that each party has named the other as an additional insured (or its equivalent) on its general liability and property insurance policy, and that Tenant has been named a loss payee on Landlord's commercial property insurance policy, as required. Further, all certificates shall expressly provide that no less than 30 days' prior written notice shall be given to Tenant in the event of material change to, expiration or cancellation of the coverages or policies evidenced by the certificates.

(e) Waiver of Subrogation. Landlord and Tenant each hereby waive their rights of subrogation against one another to the extent it is covered by the property insurance policies required to be carried hereunder. Landlord shall cause its insurance carriers to consent to the foregoing waiver of rights of subrogation against Tenant.

21. PARKING.

(a) Tenant's Rights. Tenant will have parking rights, as referenced in Section 1.1(n) and hereinafter, without charge for the Term of this Lease.

(b) Non Exclusive Use. Tenant acknowledges that no parking spaces are for the exclusive use of Tenant, but rather, all parking spaces are to be used on a non exclusive first come, first served basis by other tenants, occupants, licensees, invitees and permittees of the Shopping Center.

(c) Tenant and its employees shall park their vehicles only in those portions of the Common Areas from time to time designated for that purpose by Landlord. Tenant agrees to assume responsibility for compliance by its employees with the parking provisions contained herein. Moreover, Landlord may at any time prohibit all employees from parking on the Common Areas, other than the designated staff parking area as designated by Landlord.

(d) In the event Landlord elects to limit or control parking by customers or invitees of the Shopping Center, whether by validation or parking tickets or any other method of assessment, Tenant agrees to participate in such validation or assessment program under such reasonable rules and regulations as are from time to time established by Landlord and applied uniformly to all tenants with respect thereto.

22. ENVIRONMENTAL MATTERS

Hazardous Materials. Tenant shall not cause nor permit, nor allow any of Tenant's employees, agents, customers, visitors, invitees, licensees, contractors, assignees or subtenants to cause or permit, any Hazardous Materials to be brought upon, stored, manufactured, generated, blended, handled, recycled, treated, disposed or used on, under or about the Premises, the Shopping Center or the Common Areas, except for routine office and janitorial supplies in usual and customary quantities stored, used and disposed of in accordance with all applicable Environmental Laws. As used herein, "Hazardous Materials" means any chemical, substance, material, controlled substance, object, condition, waste, living organism or combination thereof, whether solid, semi solid, liquid or gaseous, which is or may be hazardous to human health or safety or to the environment due to its radioactivity, ignitability, corrosivity, reactivity, explosivity, toxicity, carcinogenicity, mutagenicity, phytotoxicity, infectiousness or other harmful or potentially harmful properties or effects, including, without limitation, molds, toxic levels of bacteria, tobacco smoke within the Premises, petroleum and petroleum products, asbestos, radon, polychlorinated biphenyls (PCBs), refrigerants (including those substances defined in the Environmental Protection Agency's "Refrigerant Recycling Rule," as amended from time to time) and all of those chemicals, substances, materials, controlled substances, objects, conditions, wastes, living organisms or combinations thereof which are now or become in the future listed, defined or regulated in any manner by any Environmental Law based upon, directly or indirectly, such properties or effects. As used herein, "Environmental Laws" means any and all federal, state or local environmental, health and/or safety-related laws, regulations, standards, decisions of courts, ordinances, rules, codes, orders,

decrees, directives, guidelines, permits or permit conditions, currently existing and as amended, enacted, issued or adopted in the future which are or become applicable to Tenant, the Premises, the Shopping Center or the Common Areas.

23. ESTOPPEL CERTIFICATES.

Tenant shall, within 30 days after written request of Landlord, execute, acknowledge and deliver to Landlord or its designee a written statement in the form of Document II attached hereto and incorporated herein by this reference but shall have no other obligation to deliver any other form of estoppel certificate. It is intended that any such statement delivered pursuant to this Section may be relied upon by a prospective purchaser of Landlord's interest or holder of any mortgage upon Landlord's interest in the Premises.

24. TENANT IMPROVEMENTS.

Tenant shall make improvements pursuant to Work Letter attached at Exhibit C as attached hereto.

25. LIENS.

Tenant shall keep its interest in this Lease and the Premises free from any liens arising out of any work performed or materials ordered or obligations incurred by Tenant. Landlord shall keep its interest in this Lease and the Premises free from any liens which would impair the interest of Tenant hereunder and hereby indemnifies and holds Tenant harmless from any liability or loss from any such lien.

26. SUBORDINATION AND MORTGAGES

(a) Subordination and Non-Disturbance. Tenant agrees, at Landlord's option, to subordinate this Lease to the lien of any mortgages or deeds of trust now or hereafter in force against the Shopping Center; provided, however, Tenant's obligation to subordinate this Lease is expressly conditioned upon Tenant receiving a written agreement in the form of Exhibit I attached hereto and incorporated herein by this reference, and provided further that no such subordination shall affect any option to extend the Term of this Lease, right of first offer to lease additional premises, option to purchase or right of first offer to purchase the Property which may be included herein.

(b) Existing Deeds of Trust. The beneficiary under any existing deed of trust affecting the Shopping Center shall provide a written agreement to Tenant in the form of Exhibit I, attached hereto and incorporated herein by this reference within 30 days after the execution of this Lease.

(c) Request for Notice. Landlord acknowledges that Tenant intends to record a Request for Notice with respect to any mortgages or deeds of trust affecting the Property in the form of Document III attached hereto and incorporated herein by this reference.

(d) Notice of Default. If any mortgagee or beneficiary under a deed of trust affecting the Property gives written notice of its name and address to Tenant by registered mail requesting any such notice with reference to this Section, Tenant agrees to use its best efforts (but without liability for failure to do so) to give such mortgagee a copy of any notice of default served upon Landlord hereunder which could permit Tenant to terminate this Lease and an additional ten (10) days within which to cure such default.

27. SURRENDER OF POSSESSION.

At the expiration of the Term of this Lease, whether by lapse of time or otherwise, Tenant shall, at its sole cost and expense, promptly and peacefully surrender the Premises to Landlord in a "vanilla shell" condition. Tenant shall remove, at its own expense, all fixtures, equipment and all other personal property placed or installed in or upon the Premises by Tenant, or under its authority (including any modular furniture), unless otherwise agreed to by Landlord.

28. SIGNAGE.

Tenant shall be permitted to install at the Premises reasonably appropriate signs that conform with any and all applicable laws and ordinances. Subject to Landlord's approval, and compliance with Shopping Center Sign Criteria, the CC&R's and applicable laws, Tenant shall be permitted to install signage on the exterior of the Premises at Tenant's sole cost and expense. Landlord will permit Tenant to install interior ceiling suspended signage at Tenant's sole cost and expense, so long as Tenant agrees to remove such signage upon Lease termination.

29. QUIET ENJOYMENT.

So long as Tenant is not in default hereunder, Tenant shall have the right to the quiet and peaceful enjoyment and possession of the Premises and the Common Areas during the Term of this Lease, subject to the terms and conditions of this Lease.

30. GENERAL

(a) Headings. Titles to Sections of this Lease are not a part of this Lease and shall have no effect upon the construction or interpretation of any part hereof.

(b) Successors and Assigns. All of the covenants, agreements, terms and conditions contained in this Lease shall inure to and be binding upon the Landlord and Tenant and their respective successors and assigns.

(c) Entire Agreement. This Lease (and the Landlord's Work Letter and Supplemental Lease Documents) is the final and complete expression of Landlord and Tenant relating in any manner to the leasing, use and occupancy of the Premises, to Tenant's use of the Building and other matters set forth in this Lease. No prior agreements or understanding pertaining to the same shall be valid or of any force or effect and the

covenants and agreements of this Lease shall not be altered, modified or added to except in writing signed by both Landlord and Tenant.

(d) Severability. Any provision of this Lease which shall prove to be invalid, void or illegal shall in no way affect, impair or invalidate any other provision hereof and the remaining provisions hereof shall nevertheless remain in full force and effect.

(e) Notices. All notices and communications to any party hereunder shall be in writing and shall be deemed properly given if delivered personally, sent by registered or certified mail, postage prepaid, or by a recognized overnight commercial messenger providing proof of delivery, facsimile (electronically confirmed) to Landlord's Address for Notice and Tenant's Address for Notice as set forth in Section 1. Any notice so given shall be deemed to have been given as of the date of delivery (whether accepted or refused) established by U.S. Post Office return receipt or the overnight carrier's proof of delivery, as the case may be. Any such notice not so given shall be deemed given upon receipt of the same by the party to whom the same is to be given.

(f) Governing Law and Forum. This Lease shall be governed by and construed in accordance with the internal laws of the State of California. Any litigation with respect to this Lease shall be conducted in the County of Los Angeles, State of California.

(g) Waivers. No waiver by Landlord or Tenant of any provision hereof shall be deemed a waiver of any other provision hereof or of any subsequent breach by Landlord or Tenant of the same or any other provision. Landlord's or Tenant's consent to or approval of any act shall not be deemed to render unnecessary the obtaining of Landlord's or Tenant's consent to or approval of any subsequent act by Landlord or Tenant.

(h) Time of Essence. Time is of the essence for the performance of all of the obligations specified hereunder.

(i) Consent. Whenever any consent is required by Landlord or Tenant hereunder, such consent shall not be unreasonably withheld, conditioned or delayed and, unless otherwise specifically provided herein, shall be deemed granted if not refused within ten (10) days after written request is made therefore, together with all necessary information.

(j) Community Business Enterprises. Landlord shall complete and deliver to Tenant concurrently with the execution hereof a Community Business Enterprises form set forth as Exhibit M, attached hereto and incorporated herein by this reference.

31. AUTHORITY.

Only the Board of Supervisors has the authority, by formally approving and/or executing this Lease, to bind the County to the terms included herein. Each individual executing this Lease on behalf of Tenant represents and warrants that he or she is duly authorized to execute and deliver this Lease on behalf of Tenant, and that this Lease is

binding upon Tenant in accordance with its terms. Landlord understands that no material terms of this Lease may be altered or deleted, nor may any new material terms be added to this Lease, without the express written approval of the Board of Supervisors, either through an amendment to the Lease or by other formal board action. No County officer, employee, agent or independent contractor has any authority to alter, add or delete the material terms of this Lease and Landlord may not rely upon any representations to the contrary. This limitation of authority applies to all material terms of the Lease including, without limitation, any monetary ceiling established for Tenant Improvements or other project costs of Landlord which are subject to reimbursement by County. County shall not reimburse Landlord for any expenses which exceed this ceiling. Notwithstanding the foregoing, the Chief Executive Officer of the County or his designee (the "Chief Executive Officer") may take any administrative act on behalf of Tenant hereunder which does not have the effect of increasing Base Rent or other financial obligations of Tenant under this Lease, including without limitation, granting any approvals, terminating this Lease in the manner provided herein or otherwise, signing estoppel certificates, signing the Commencement Date Memorandum and Confirmation of Lease Terms or subordinating this Lease. Each individual executing this Lease on behalf of Landlord represents and warrants that he or she is duly authorized to execute and deliver this Lease on behalf of Landlord, and that this Lease is binding upon Landlord in accordance with its terms.

32. ACKNOWLEDGMENT BY LANDLORD

Landlord acknowledges that it is aware of the following provisions:

(a) Consideration of GAIN Program Participants. Should Landlord require additional or replacement personnel after the effective date of this Lease, Landlord shall give consideration for any such employment, openings to participants in the County Department of Public Social Services' Greater Avenues for Independence ("GAIN") Program who meet Landlord's minimum qualifications for the open position. The County will refer GAIN participants by job category to Landlord.

(b) Notice of Prohibition as set forth in California Government Code Sections 5950 et seq. The Government Code prohibits the Landlord from offering or selling its interest in this Lease through Bond proceeds and the remedies set forth in that law in the event that the Landlord violates such law are available to the Tenant, with attorney's fees therein. This prohibition extends to the successors and assigns of the Landlord per State law.

(c) Solicitation of Consideration. It is improper for any County officer, employee or agent to solicit consideration in any form from a landlord with the implication, suggestion or statement that the landlord's provision of the consideration may secure more favorable treatment for the landlord in the award of the Lease or that landlord's failure to provide such consideration may negatively affect the County's consideration of the landlord's offer to lease. A landlord shall not offer or give, either directly or through an intermediary, consideration in any form to a County officer, employee or agent for the purpose of securing favorable treatment with respect to the award of the Lease.

Landlord shall immediately report any attempt by a County officer, employee or agent to solicit such improper consideration. The report shall be made either to the County manager charged with the supervision of the employee or to the County Auditor-Controller's Employee Fraud Hotline at (213) 974-0914 or (800) 544-6861. Failure to report such solicitation may result in the landlord's submission being eliminated from consideration.

33. IRREVOCABLE OFFER.

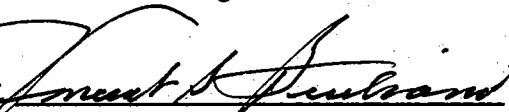

In consideration for the time and expense that Tenant will invest, including but not limited to, preliminary space planning, legal review, and preparation and noticing requirements for consideration by the Board of Supervisors in reliance on Landlord's agreement to lease the Premises to Tenant under the terms of this Lease, Landlord irrevocably offers to enter into this Lease and not to revoke this offer until the Irrevocable Offer Expiration Date, as defined in Section 1.1.

IN WITNESS WHEREOF this Lease has been executed the day and year first above set forth.

I. LANDLORD'S WORK

- A. Tenant takes the Premises in its "as-is" condition.

II. TENANT'S WORK

A. General.

1. All work required to complete and place the Premises in finished condition for opening of business (except for Landlord's Work) shall be performed by Tenant at Tenant's sole cost and expense with all due diligence, which work shall hereinafter be referred to as "Tenant's Work".

2. All design and construction work shall comply with all applicable statutes, ordinances, regulations, laws and codes, and Landlord's design criteria for Tenant's Work previously delivered to Tenant.

3. All permits, licenses and approvals for Tenant's Work shall be obtained by Tenant or its contractor prior to the commencement of construction and shall be posted in a prominent place within the Premises as required by the agency issuing the permit.

4. Landlord's written approval shall be obtained by Tenant prior to the undertaking of any construction work which deviates from Tenant's Drawings and Specifications (defined below), as approved by Landlord, or the undertaking of any modifications whatsoever to Landlord's building shell and/or utilities and other work not explicitly shown on said Drawings and Specifications or included as Landlord's Work in this Exhibit "C". Landlord's approval of the foregoing shall not constitute the assumption of any responsibility by Landlord for the accuracy or sufficiency thereof, and Tenant shall be solely responsible therefor.

5. All contractors engaged by Tenant shall be bondable, licensed contractors, possessing good labor relations, capable of performing quality workmanship and working in harmony with Landlord's general contractor and other contractors on the job. All work shall be coordinated with the general project work. Landlord acknowledges Tenant's right to use County resources, including but not limited to Public Library and Internal Services Department (ISD) staff, to complete any aspect of the tenant improvements.

6. Where conflict exists between applicable building codes, utility regulations, statutes, ordinances, other regulatory requirements, and Landlord's requirements as set forth herein, the more stringent of the requirements shall govern.

7. Tenant shall inspect, verify and coordinate all field conditions pertaining to the Premises from time to time prior to the start of its store design work, through its construction, including its fixture and merchandise. Tenant shall advise Landlord immediately of any discrepancies with respect to Landlord's drawings. Any adjustments to the work arising from field conditions, not apparent on Tenant's drawings and other building documents, shall require the prior written approval of Landlord.

8. Landlord reserves the right to require changes in Tenant's Work when necessary by reason of code requirements or building facility necessity, field conditions, or directives of governmental authorities having jurisdiction over the Premises, or directives of Landlord's insurance underwriters.

B. Public Safety. Tenant shall confine the construction work to within the Premises as much as possible and shall work in an orderly manner removing trash and debris from the project on a daily basis. At no time will pipes, wires, boards or other construction materials cross public areas where harm could be caused to the public. The requirements of "Occupational Safety and Health Administration" (OSHA) prepared by the Department of Labor will govern. If Tenant fails to comply with these requirements, Landlord will cause remedial action as deemed necessary by Landlord to protect the public. All costs of said remedial action shall be charged to Tenant and shall become Tenant's responsibility.

C. Tenant Damage to Construction. Tenant will be required to furnish the necessary ramps, coverings, etc., to protect Landlord's facilities and adjoining premises from damage. All costs to repair damage to Landlord's facilities and to adjoining premises will be at the expense of Tenant. Actual repair work may be accomplished by Landlord at Landlord's option.

D. Turnover of Premises to Tenant by Landlord. Tenant shall be responsible for:

1. H.V.A.C. It shall be the responsibility of Tenant to pay for heating and/or cooling, if used, during the installation of Tenant's Work.

2. Electricity/Water, Etc. Tenant's permanent electric service, where possible, shall be used to provide power for Tenant's Work. Meters shall be installed prior to Tenant's Work, and Tenant shall pay for service and water and all utilities consumed. Work performed with temporary electric service will be at Tenant's expense.

E. Drawings and Specifications.

Tenant shall prepare and submit to Landlord for approval an interior completion plan, design drawings, working drawings and specifications necessary to complete "Tenant's Work" under this Exhibit "C" ("Drawings and Specifications"). As soon as practicable, but no later than fifteen (15) days, after receipt of such Drawings and Specifications, Landlord shall return to Tenant such Drawings and Specifications with its suggested modifications and/or approval, which shall not be unreasonably withheld. If, upon receipt of Landlord's modified Drawings and Specifications, Tenant wishes to take

exception thereto, Tenant may do so within ten (10) days from the date on which Tenant receives Landlord's modified Drawings and Specifications.

2. Upon Landlord's approval in all respects of all such Drawings and Specifications, Tenant shall cause Tenant's Work to be completed and installed or such installations or alterations to be performed, as the case may be, in accordance with the Drawings and Specifications approved by Landlord, and no substantial deviation from said Drawings and Specifications shall be made without Landlord's prior written approval. Tenant shall obtain all necessary permits in connection with the installation of such Tenant improvements and the performance of such work prior to the commencement of any work.

3. If Tenant's Work entails any structural changes to the Premises, Tenant shall submit detailed structural plans, and Landlord's review of such plans shall be at Tenant's expense, provided that such expense shall not exceed One Thousand Dollars (\$1,000.00). Moreover, Tenant shall not be permitted to commence any Tenant's Work until all plans applicable thereto have been approved in writing by Landlord; Landlord shall approve in writing or state its issues as soon as practical, but in no event later than fifteen (15) days.

Interior painting, wall covering, signage, carpeting and placement of movable trade fixtures are considered normal maintenance items and do not require Landlord approvals, but otherwise meet the requirements of this Exhibit. All other alterations require Landlord's written approval.

5. Landlord's approval or inspection of any of Tenant's plans, shop drawings, etc., so submitted is made for identification purposes only and neither Landlord, nor its agents, servants or employees shall have any liability in any respect to any inadequacies, deficiencies, errors or omissions or non-complying features contained in any or all of Tenant's preliminary plans or final plans or Landlord's comments in respect to same.

AGREEMENT RESULTS IN YOUR LEASEHOLD ESTATE BECOMING SUBJECT TO
AND OF LOWER PRIORITY THAN THE LIEN OF SOME OTHER OR LATER SECURITY
INSTRUMENT.**

This Subordination, Non-Disturbance and Attornment Agreement ("Agreement") is entered into as of the _____ day of _____, 200__ by and among COUNTY OF LOS ANGELES, a body politic and corporate ("Tenant"), _____ ("Borrower") and _____, ("Lender").

A. Borrower owns certain real property more particularly described in the attached Exhibit A. The term "Property" herein means that real property together with all improvements (the "Improvements") located on it.

B. Lender has made or agreed to make a loan to Borrower. The Loan is or will be secured by a deed of trust or mortgage encumbering the Property (the "Deed of Trust").

C. Tenant and Borrower (as "Landlord") entered into a lease dated _____ (the "Lease") under which Borrower leased to Tenant a portion of the Improvements located within the Property and more particularly described in the Lease (the "Premises").

D. Tenant is willing to agree to subordinate certain of Tenant's rights under the Lease to the lien of the Deed of Trust and to attorn to Lender on the terms and conditions of this Agreement. Tenant is willing to agree to such subordination and attornment and other conditions, provided that Lender agrees to a Non-Disturbance provision, all as set forth more fully below.

Agreement

Therefore, the parties agree as follows:

1. **Subordination**. The Lease shall be subject and subordinate to the lien of the Deed of Trust and to any renewals, modifications, consolidations, replacements and extensions of the Deed of Trust to the full extent of the principal sum secured by the Deed

of Trust including any interest except that if Tenant is granted any option to extend the term of the Lease, right of first offer to lease additional premises, option to purchase the Property, or right of first option to purchase the Property in the Lease such provisions shall not be affected or diminished by this subordination which is conditioned upon the agreement of Borrower and Lender in section 3 hereof.

2. Definitions of "Transfer of the Property" and "Purchaser". As used herein, the term "Transfer of the Property" means any transfer of Borrower's interest in the Property by foreclosure, trustee's sale or other action or proceeding for the enforcement of the Deed of Trust or by deed in lieu thereof. The term "Purchaser", as used herein, means any transferee, including Lender, of the interest of Borrower as a result of any such Transfer of the Property and also includes any and all successors and assigns, including Lender, of such transferee.

3. Non-Disturbance. The Transfer of the Property or any enforcement of the Deed of Trust shall not terminate the Lease or disturb Tenant in the possession and use of the leasehold estate created thereby, or deprive Tenant of any other property rights granted in the Lease.

4. Attornment. Subject to Section 3 above, if any Transfer of the Property should occur, Tenant shall and hereby does attorn to Purchaser, including Lender if it should be the Purchaser, as the landlord under the Lease, and Tenant shall be bound to Purchaser under all of the terms, covenants and conditions of the Lease for the balance of the Lease term and any extensions or renewals of it which may then or later be in effect under any validly exercised extension or renewal option contained in the Lease, all with the same force and effect as if Purchaser had been the original landlord under the Lease. This attornment shall be effective and self-operative without the execution of any further instruments upon Purchaser's succeeding to the interest of the landlord under the Lease.

5. Lender Not Obligated. Lender, if it becomes the Purchaser or if it takes possession under the Deed of Trust, and any other Purchaser shall not (a) be liable for any damages or other relief attributable to any act or omission of any prior Landlord under the Lease including Borrower; or (b) be subject to any offset or defense not specifically provided for in the Lease which Tenant may have against any prior landlord under the Lease; or (c) be bound by any prepayment by Tenant of more than one month's installment of rent; or (d) be obligated for any security deposit not actually delivered to Purchaser; or (e) be bound by any modification or amendment of or to the Lease unless the amendment or modification shall have been approved in writing by the Lender.

6. Notices.
